

Cardtronics Provides ATM Managed Services for Pacific Convenience & Fuels

HOUSTON, Feb 24, 2010 (GlobeNewswire via COMTEX News Network) -- Pacific Convenience & Fuels, LLC and Cardtronics USA, Inc. (Nasdaq:CATM) have entered into a long-term agreement wherein Cardtronics will provide ATM processing and managed services for 225 Pacific Convenience & Fuels store locations. Based in San Ramon, California, Pacific Convenience & Fuels operates convenience stores in six states and is the largest Circle K licensee in the country.

"Cardtronics is a recognized leader in the processing of ATM transactions, driving well over 30,000 financial kiosks," stated Brian Archer, Chief Marketing Officer at Cardtronics. "We have built a powerful, secure, reliable platform for operating financial kiosks and have coupled that with industry-leading monitoring, customer service, maintenance, and problem resolution capabilities. The end result is a superior ATM processing and management platform that provides great value for our merchant customers and enhanced service for tens of thousands of consumers every day."

"It was important to Pacific Convenience & Fuels to offer our customers a world-class ATM experience," said Charlene Kovacsik, Director of Marketing at Pacific Convenience & Fuels. "Cardtronics proved to be the ideal partner. We are able to tap into the processing, monitoring, and service functions of a large ATM network, allowing us to focus on our core business while continuing to provide the ancillary services that our customers want and need."
